Aspen Ridge is known for our passionate worship, the prophetic, and our strong commitment to prayer. Our desire is to be those who passionately seek the face of god, host the presence of god, and we are dedicated to see our town and world be transformed by the love of God. We want to see revival in the hearts of all believers and a house where the harvest can be brought in. We want to see our Fathers Kingdom Come and His will to be done, in this church as it is in Heaven.
